Ref.No.

Date :

**The Alumni Association and its chapters have made significant contributions across various areas:**

**Financial and In-Kind Support:** The Alumni Association has provided substantial financial support through donations and fundraising initiatives, as well as in-kind contributions such as equipment, technology, and resources for campus improvements.

**Donation of Books/Journals/Volumes:** Alumni have generously donated books, journals, and other educational materials to enrich the institution's library and academic resources, enhancing research and learning opportunities for students and faculty.

**Students Placement:** The Alumni Association has facilitated career development opportunities for students by connecting them with alumni networks, organizing job fairs, and offering mentorship programs to support their transition into the workforce.

**Student Exchanges:** Alumni involvement has facilitated student exchange programs, enabling students to gain international exposure, broaden their perspectives, and develop valuable cross-cultural skills through immersive learning experiences abroad.

**Institutional Endowments:** The Alumni Association has contributed to the institution's endowment fund, providing long-term financial support for scholarships, research grants, faculty development, and other institutional priorities, ensuring the sustainability and growth of the institution for future generations.
